# Bachelor's Programme in Protestant Theology

---

This programme concentrates mainly on a basic knowledge of theology in its systematic, historical, and cultural dimensions. Graduates are capable of working with biblical texts in the original languages, with the help of current specialist methods. They have basic skills in the field of the understanding and interpretation of texts (especially in the Christian tradition), and are capable of interpreting them in their relevant literary, historical and ideological contexts. Particular attention is paid to acquiring a knowledge of the major world religions, philosophical thought, Christian ethics, and ecumenical issues. Students must follow the study programme full-time in Prague. Those successfully completing the programme will be awarded a Bachelor's degree by Charles University.

**Tuition: 25,000 Czech crowns per academic year (cca EUR 1060)**

**Length of study: three years**

**Full-time**
