A student at Charles University in the Free-mover regime can only be a citizen of Ukraine who is currently enrolled in a university outside the Czech Republic.

Free-mover remains a student of his/her home university and is only on a foreign study stay at the Protestant Theological Faculty of Charles University (PTF CU).

A Ukrainian student can be admitted to the Free-mover scheme if he or she is studying at his or her home university in a programme that falls within the portfolio of study programmes taught at the PTF.

Study for Ukrainian students in Free-mover mode is FREE.

Free-mover students can receive a scholarship:

The scholarship can only be awarded to persons who are in the Czech Republic and have proof of temporary protection or a special visa (in the passport).
