
Studying theology or social work in Prague

Welcome to the home page of the Office for International Relations at the Protestant Theological Faculty of Charles University in Prague. We hope the information here will help those of you who are interested in coming to study theology in Prague, either for just one year or one semester, or for a full course of studies lasting several years.

But if you cannot find the information you are looking for, please do not hesitate to contact us at [this address](#).

We are still in the process of forming this website, so in some cases the information is incomplete. In other cases we provide links to information from other organisations, for which of course we cannot take responsibility. But if you have any suggestions about ways we could improve this website, we will be glad to hear from you!
