In case anything mandatory is missing, you will be contacted and asked to remedy the situation. The English proficiency documents will also be checked for the required minimum. Applications that don't comply with the required minimum English proficiency or aren't complete by the deadline will not be evaluated.
- After the deadline, the committees will receive the applications with all attachments. Then the committee will invite you to an entrance examination. They will assign points in various evaluated categories and decide on acceptance or rejection of the applicants.
- Approximately 3-4 weeks after the deadline, the results will be sent out via email. You will receive them at the email address that you filled in the application. The points breakdown will be available in the application portal.
