JABOK Institute of Social Work and Theology

**in association with the Protestant Theological Faculty, Charles University in Prague
announces a conference**

SOCIAL WORK AND THEOLOGY - TWENTY YEARS OF A DIALOGUE
April 11th-12th, 2013, Prague

The Conference aims to discuss the relationship of Theology and Social Work as a dialogue between Theology and Society. Based on examples, in which Theology contributes to Social Work methods and attitudes as well as on opposite cases, in which theological reflection benefits from Social Work, it will endeavour to explore the relationship further.

Conference papers and workshops will mostly take the perspectives of Practical Theology, Social Work, Social Pedagogy and Philosophy as this interdisciplinary approach is often reflected in the courses given by Jabok Institute in areas such as Work with Families, Youth Work, Special Pedagogy, Leisure Time Pedagogy, Human Rights, Ethical Education etc.

The Conference theme stems from JABOK's long-term quest for a fruitful concept of the relationship between Theology and Social Work. It is a key concept of its Diploma Course in Social Work and Theology and of its BA Course in Pastoral and Social Work, offered in association with the Protestant Theological Faculty of Charles University in Prague.

The programme of the Conference will follow. Preliminary applications may be sent to Mrs.A.Hradilkova at hradil@jabok.cz.
