# Conference "Diaconia Under Pressure", September 17-20 2014, Stockholm, Sweden

---

**The fifth biennial conference** on the research and study of diaconia and Christian social practice, September 17th - 20th, 2014 is being organised by an independent international research society for diaconia and Christian social practice (ReDi) in collaboration with **Ersta Sköndal University College in Stockholm, Sweden**. The title of the conference, ***Diaconia Under Pressure***, signals a hands-on approach to deal with the current situation of diaconia and Christian social practice under several aspects.
