
Newsletter for International Students

Newsletter for International Students (12-2021)

Dear International Students,

The year 2021 is slowly coming to its end. For the last time in this year, we are bringing you the CU Point newsletter packed with invitations to our events, useful links for your studies and everyday life as well as tips on typical Czech Christmas traditions. We hope that you enjoyed our events this year; our newsletters will provide you with invitations and news from the university in the following year again!

In the light of the current situation, [the Student Chamber of the Academic Senate](#) of Charles University kindly appeals to students to persevere in the observance of anti-epidemic measures.

We hope you stay safe and healthy, and we wish you a wonderful Christmas time and a successful new year 2022!

Marie, Zuzana and Bohu
International Student Advisors, CU Point
